

Best Hosting Service Award 2024

Description

We are pleased to announce our web hosting service has been awarded PC Pro Best Web Host in the Technology Excellence Awards 2024. We have worked in partnership with 20i for the last 7 years and have found them to be very helpful. Their customer service is of a very high standard. Their support staff are very knowledgeable and efficient. Most incidents are dealt with in a matter of hours, if not minutes, rather than days and weeks. This is crucial to the high standard of service that we provide to our customers.
