

Cloud Expo Europe

Description

Our Cloud Partner, Hutchinson Networks, is proud to announce that theyâ??ll be exhibiting at Cloud Expo Europe 2017 at the ExCeL Centre in London on March 15th and 16th. CTO Stephen Hampton will also be speaking in the eventâ??s Open Cloud and Software Architecture Theatre on the 16th. Stephen and other members of the team will be discussing SDN Cloud platform Fabrix, the new Cloud-based telephony platform Vertex, as well as the full range of expert IT services provided by Hutchinson Networks.

Cloud Expo Europe returns on 15-16 March 2017 with the biggest and best instalment to date. This yearâ??s event will bring together an unrivalled line up of world-class suppliers in the cloud technology sector, thousands of hours of valuable content from over 500 of the industryâ??s leading international practitioners and first class peer networking opportunities.

The event is also co-located with Data Centre World, Cloud Security Expo, Smart IoT London, and Big Data World, bringing together five world-class events in one location. To register for this event, click [HERE](#).
