- The ICO has launched a telephone helpline specifically to help small businesses tackle the GDPR legislation. To access the new service call the ICO helpline on [0303 123 1113](tel:03031231113) option 4
- The ICO has begun a series of blogs to separate fake news about GDPR from fact: [GDPR â?? Sorting the fact from the fiction](#)
- Part of being compliant for GDPR is ensuring your company is compliant under the current Data Protection rules. [ICO-training-checklist](#)
- The ICO publishes rulings where Data Protection rules have been broken. Named and shamed: [Charity employee is prosecuted for data protection offences](#)
