

Face Masks and Hand Gel

Description

National Pen Promotional Products

[protect your team with masks and gel](#)

To help our clients push out their brand, we always like to advise on useful promotional gifts. What better gift than a face mask and a bottle of hand gel with your logo and website address on it? These are offered by National Pen. This is a company we have used for Pens in the past and can recommend them.

If you'd like us to manage the ordering process from start to finish, contact us on 0333 321 4617

- Logo layout and design of your branded Face Mask or Hand Gel
- Adobe Acrobat PDF proof of your product for authorisation
- Purchases through our trade account can be added to your monthly direct debit. [See our Managed Services >>](#)

We already include promotional products in the digital marketing mix as a method of promoting our clients' websites. For more information on improving your digital marketing mix as part of a digital marketing strategy, please [contact us](#)
