

Simpler Direct Debit

Description

GoCardless

tick-in-the-box150Direct Debit is the UK's preferred way to take regular payments, with over £1 trillion collected each year. It is the only UK payment scheme that allows merchants to pull payment directly from their customers' bank accounts. [Never mind the blurb, let me sign up >>](#)

[What is Direct Debit?](#)

gocardless-pending-collected-paidoutDirect Debit lets merchants initiate bank-to-bank payments from their customers, without the payer having to lift a finger! [more](#)

[Use cases for Direct Debit](#)

Direct Debit is great for recurring payments, whether fixed or variable, or for any payment where instant clearing isn't required! [more](#)

[Getting Access to Direct Debit](#)

Traditionally Direct Debit has only been available to large organisations, but access is opening up to smaller organisations! [more](#)
