

Taking Card Payment On The Go

Description

We take a look at iZettle

iZettle offers a pay as you go mobile card acceptance terminal for businesses that want to take contactless card payments inside or outside of any fixed premises. The terminal is suitable with a wide range of smartphones and tablets – please refer to iZettle’s website for an up to date list of suitable devices.

What does it cost?

- One-off cost to purchase the iZettle device. For more details, please visit the iZettle website.
- **Pay per transaction:** Pay a fixed fee of 1.75% per transaction, regardless of volume. For businesses that consistently make £10,000 or more in monthly card payments, iZettle can offer a custom rate.

Who is it for?

iZettle could be suitable for a wide range of businesses. For example:

- Work in customers homes – such as painters, decorators, plumbers
- No fixed premises – such as market stalls, mobile food sales
- Businesses on the go – such as taxi firms

Basically small businesses that would like to take card payments inside or outside of any fixed premises.
